FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 31 - SB 33

February 5, 2017

SUMMARY OF BILL: Authorizes barbering to be performed at a customer's residence if the customer is disabled.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 62-3-109 (d), barbering may currently be performed in the residence of a person who is "actually ill."
- It is assumed that persons with disabilities receiving in residence services will not substantially increase the number of individuals who are considered ill receiving services. No significant increase in the number of individuals that receive barbering services at their residence is anticipated; therefore, the regulatory demands on the Board of Cosmetology and Barber Examiners (BCBE) will not change.
- Pursuant to Tenn. Code Ann. § 4-29-121, all regulatory boards are required to be self-supporting over a two-year period.
- The BCBE had an annual surplus of \$394,499 in FY14-15, a deficit of \$163,666 in FY15-16, and a cumulative reserve balance of \$230,833 as of June 30, 2016.

IMPACT TO COMMERCE:

NOT SIGNIFICANT

Assumption:

- This legislation is not anticipated to result in a significant impact to licensed barbers in Tennessee.
